

## Annas Bedroom

The cries of a small child echoing through the stillness of a desert night start Belle Lacy down a life-altering path of mystery and betrayal that ultimately threatens the lives of everyone she loves, including her own. As she journeys through an entangled maze of deceit and corruption, Belle discovers a place of unimaginable horror, unveiling a monstrous crime against humanity, and in doing so, illuminates a national crisis that most would prefer kept in the dark. Annas Bedroom is sure to spark your ire, test your nerves and tug at your heartstrings.
