

## 2009 14 CFR 1-59 (Federal Aviation Administration) (2009 Title 14: Aeronautics and Space)

Title 14 presents regulations governing the activities of the Department of Transportation and the National Aeronautics and Space Administration in the areas of aeronautics and space, including: aircraft, airmen, airspace, air traffic, certification of air carriers and operations, and airports. Additions and revisions to this section of the code are posted annually by January. Publication follows within six months.
