

The Book of Summers (Thorndike Core)

Nine-year-old Beth Lowes magical, sun-kissed summer vacation in Hungary ends in the devastating separation of her parents. Beth and her father return home, leaving her mother, Marika, behind. For the next seven summers, Beth walks a tightrope between the worlds of her quiet home and distant father, and the intoxicating Hungarian countryside with Marika. But at sixteen, a life-shattering revelation brings her sacred summers to an end.
