

## A Holy Meal: The Lords Supper in the Life of the Church

&This is my body, said Jesus at the Last Supper. What did he mean? Throughout church history, there have been various interpretations of his words. These differences have caused denominational ruptures that have yet to heal. In *A Holy Meal*, Gordon T. Smith shows that we cannot appreciate the Lords Supper until we understand it. In light of the renewed attention given to the sacraments by all branches of the church, he examines the historic interpretations and seeks common ground among believers. In the process, he shows how the Lords Supper can infuse new meaning into the church as it confronts the forces of postmodernism and secularism. *A Holy Meal* is essential reading for Christians who want to ponder the Lords Supper againperhaps truly for the first time.
