

## A Home of Our Own

New Years Day, 1951. Steven and Megan Caraford are celebrating the New Year by toasting their happy marriage and the birth of their first son, Samuel. But family life becomes unsettled when Stevens mother, Hannah, takes in a lodger, Ruth Vernon, and her illegitimate child, Avril. Ruth claims that Stevens half brother, Fred, who has run off to Canada, is Avrils father. Ruth is adamant she will never trust any man enough to be able to marry him. Yet how will she cope when Doctor Lindsey Gray takes a shine to her? Meanwhile, Steven and Megan are eager to extend their family, even though Steven is worried that Megan is working too hard on the farm, and that may have devastating consequences for their unborn child. Will their marriage be able to withstand Megans fears that Stevens commitment to their marriage is fading? Or will they lose everything now that they finally have A Home of Their Own? A Home Of Our Own is a moving romantic drama about learning to trust again and the strength of true love. It is the sequel to Coming Home.
