

# Reclaim your Voice, Step into Your Power, and Remember How to Dream: Journey of Self Discovery For Survivors of Domestic Violence

Domestic Violence can show up in many ways other than physical. It may manifest in verbal, emotional, sexual or spiritual trauma. The trauma experienced can make you feel isolated, small, lose your voice and forget who you really are. This workbook is a personal journey toward hope and enlightenment. Within these pages, you will find tools to empower, rediscover your voice, step into your power, and remember how to dream. By reconnecting and nurturing the relationship you have with yourself, you will have the ability to cultivate healthy, happy and thriving relationships in all aspects of your life. The journey toward a new life begins with taking one small step.
