

## An Angel to Watch Over Me True Stories of Childrens Encounters with Angels

In *An Angel to Watch Over Me* (originally published by Random House in 1994, with sales of 150,000 copies), Anderson shares more than 30 stories of childrens experiences with celestial beings. From a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home, each of these accounts is grounded in traditional Christian belief, eschewing any New Age interpretation of the events.
