

An ecclesiastical history ancient & modern

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1819 edition. Excerpt: ...de l'Academie des Inscriptions et des Belles Lettres, p. 23. But it is absolutely groundless, and has not even a shadow of probability, if we except the name which the Mahometans usually give to this sect The Mendaeans, themselves, acknowledge, that they are of Jewish origin, and that they were translated out of Palestine into the country they at present inhabit. They have sacred books of a very remote antiquity; among others, one which they attribute to Adam, and another composed by John, whom they revere as the founder of their sect. As these books have been some years ago added to the library of the king of France, it is to be hoped that they may contribute to give us a more authentic account of this people than we have hitherto received. is not hitherto sufficiently known; though it be Cent. evidently composed of some Christian doctrines, xvL and a motley mixture of fictions drawn from a PartI different source. They are distinguished from the wyW other corrupt sects, that have dishonoured Christianity, by the peculiar impiety of their opinion concerning the evil genius. This malignant principle they call Karubin or Cherubim, i. e. one of the great ministers of the Supreme Being. And if they do not directly address religious worship to this evil minister, they treat him at least with the utmost respect, and not only abstain, themselves, from offering him any marks of hatred or contempt, but moreover will not suffer any contumelious treatment to be given him by others. Nay, they are said to carry this reverence and circumspection to such an excessive height, that no efforts of persecution, no torments, not even death itself, can engage them to conceive or express an abhorrence of this

evil genius; and that they will make...
