

Blog off in a Bongo - One woman and her dog: Campervan Travels around the British Coast

This candid and humorous travelogue is the result of an independent woman's 18-month journey around the entire coast of Britain in her compact campervan. It is a road-trip with a difference. Solitude and freedom were her priority for exploring remote beaches and coves. However, she also embraces the company of fellow travellers and meets people from all walks of life, whilst travelling around the coast and visiting local communities along the way. A plethora of adventure awaits you. From an unusual near death experience to a surprising police escort! Did Pat see the Northern Lights? Read the book and find out in this engaging narrative.
