

## Baseball Haiku

Haiku written about baseball goes back to the 19th century with some of the great Japanese haiku artists writing about the sport. The tradition of writing haiku about baseball continued through the 20th century with even Jack Kerouac writing about baseball in haiku form. Today, noted haiku artists such as Cor van den Heuvel, Ed Markowski, Jim Kacian, Dan McCullough, and others continue the tradition of writing haiku about baseball. This book takes a swing at contributing to that tradition.
