

Joy in the Morning - Orchestration: An Easter Cantata For Choir And Worship Leader (Cantata/Sacred Musical, Full Orchestra)

Johns Gospel is the basis for an innovative new musical setting of the timeless Easter story. The composer weaves striking new melodies and traditional hymn tunes together to produce a vibrant, energetic work of meditation and praise. The congregation is called on to sing with the choir in a sensitive setting of When I Survey the Wondrous Cross and a rousing arrangement of Crown Him With Many Crowns. New settings of What Wondrous Love Is This? and O Sacred Head, Now Wounded are ingeniously intertwined with new anthems. An inspirational and deeply moving experience for choir and congregation alike. Performance time: approx. 25 minutes.
