

Car Dealer Hell

Car dealer hell wowI didnt realize what I didnt know when I first walked through the car dealer hell doors-I do now after reading this great book-watch outbuyer beware -please read this book first before setting foot on any dealer lot I sure wish I had. Grant, Amazon reviewer Be ready the next time you buy a car. Car Dealer Hell exposes the scams, gimmicks and deceitful practices used by dealers every day. This book includes useful checklists, summaries and resources that will help you avoid car dealership traps while getting the best deal for your new or used car. The information in Car Dealer Hell is revealed to you in a way youll be able to understand so youll be able to protect yourself during the car buying process. This book navigates you through car dealership mine fields and helps you stay out (or get out) of their unique hell.
