

Scattered Lies III: Finally, the Truth

In Scattered Lies III the five protagonists, chameleon Denise Taylor; rap icon, Tony Flowers; the sophisticated Gabrielle Brightman, pop diva Christina Carrington and the gorgeous young Morgan Marciano continue with their separate but intersecting lives, finally coming to terms with their masked actions of dishonesty and deceit. Madison cunningly immerses us into a world rich in urban fantasy while driving home inescapable life lessons. Scattered Lies III drips with drama, dances with danger and rivets with retributions as one by one, truth uncovers a trail of viciously scattered deceptions, destroying everything in its path.
