

Blackstones Police Investigators Q&A 2015

Blackstones Police Investigators Q&A 2015 is the essential revision tool for all candidates sitting the National Investigators Examination (NIE) examinations. Written in partnership with the best-selling Blackstones Investigators Manual, the only study guide endorsed by the College of Policing, the Q&A consists of over 200 multiple-choice questions arranged in the same order as the chapters in Manual, providing the most authoritative means of self-testing outside of the NIE. With four parts, Evidence, Property Offences, Assaults, Drugs, Firearms & Gun Crime, and Sexual Offences, reflecting the Manual, Blackstones Police Investigators Q&A presents you with the only format of questions you will see in an NIE examination: Type A. Each question has a detailed and comprehensive answer that highlights not only the correct response, but also the reasoning behind the incorrect responses, allowing you to highlight any gaps or weaknesses in your knowledge. Full cross-references to the relevant Manual paragraphs and Keynotes encourage more effective studying, while a question checklist helps you track your progress. The introductory chapters also contain a useful section on how to study for the NIE, including advice on how to approach multiple-choice questions, practical exam techniques, and a 14-week revision plan. Fully updated for the 2015 syllabus, including coverage of relevant new legislation, the Criminal Procedure Rules 2013, the Crime and Courts Act 2013, the Protection of Freedoms Act 2012, revisions to PACE Codes A, B, C, E, F, and H, and reflecting revised Manual chapters on sexual offences and RIPA. This product is not endorsed by the College of Policing.
