

## Blue Shoe

The New York Times Bestseller from the beloved author of *Bird by Bird* and *Traveling Mercies*. Mattie Ryder is marvelously neurotic, well-intentioned, funny, religious, sarcastic, tender, angry, and broke. Her life at the moment is a wreck: her marriage has failed, her mother is failing, her house is rotting, her waist is expanding, her children are misbehaving, and she has a crush on a married man. Then she finds a small rubber blue shoe nothing more than a gumball trinket left behind by her father. For Mattie, it becomes a talismanic chance to recognize the past for what it was, to see the future as she always hoped it could be, and to finally understand her family, herself, and the ever-unfolding mystery of her sweet, sad, and sometimes surprising life.
