

Spiritual Warfare in a Believers Life

Spurgeon was a seasoned veteran in meeting Satan at every corner and defeating Satan in the power of the gospel. But in keeping with his practical style, there was nothing abstract or mystical about Spurgeons teaching. He directed his focus where he found Satan at work in the lives of people - enslaving them in sin, keeping them from the influence of the gospel, hindering their spiritual development, bringing discouragement, depression, and moral failure. Believers need not wonder about satanic principalities and power and how they are to engage them in battle. These life-changing messages of Spurgeon will meet you where you live and help you become more than a conqueror in spiritual warfare.
