

## Briefe 1679-1692 (German Edition)

Der Jurist und Philosoph Christian Thomasius (1655-1728), einflussreichster deutscher Frühaufklärer, nahm federführend an den wichtigen Kontroversen seiner Zeit teil. Sein erstmals erschlossener, ausserordentlich vielschichtiger Briefwechsel bietet bisher unbekanntes Material zu Leben und Werk des streitbaren Hochschullehrers und eröffnet zugleich neue Zugänge zur Gelehrtenrepublik in der Zeit um 1700.
