

Nobodys Son (Urban Books)

Semaj Matthews is a private detective whose life revolves around helping people locate their lost loved ones. The one person he's been unsuccessful in finding is his own birth father, but the reason is that he never wanted to find him. He often tells himself that he doesn't care. He's become a successful man in spite of the fact that his only male role models were the great dads he watched on television each week. In the midst of planning his wedding to the love of his life, Semaj receives an anonymous tip that turns everything he's ever believed upside down. The caller tells him the name of his father, and he's shocked to learn that it's a man he's admired his entire life--America's favorite TV Dad, Wayne James. Frustrated, Semaj lashes out at the world and finds himself on the wrong side of the law, where only the Heavenly Father can save him and his earthly father.
