

A Rag Dolls Heart

Rag Dolls story...could her story also be yours? The moment we are born, the human heart becomes vulnerable, suffering becomes inevitable. So, we spend our life seeking strategies to protect and heal our wounded hearts only to fall short again and again, for the pain always seems to resurge no matter what we try. Rag Doll is no different. She was desperate and wanted her heart to be safe from all cruelty, but her attempts only brought more anguish to her soul. Can a crushed heart really be restored? As Rag Dolls story unfolds, you will discover the answer to her heartfelt question, and in her discovery, your question will be answered as well. The author, Maggie Simmons, has personally experienced some of the sorrows that Rag Doll encountered. She joyfully discovered too, that her crushed heart and bruised spirit can indeed be healed completely and only by Jesus Christ. It is because of the grace of God, that she writes this book. Maggie earned her B.S. in Human Development at Hope International University. Go to www.womensjourneytoworth.com and be encouraged.
