

New Developments in Immigration Enforcement and Compliance, 2011 ed.: Leading Lawyers on Understanding Changes to Policy, Responding to ... Compliance Programs (Inside the Minds)

New Developments in Immigration Enforcement and Compliance provides an authoritative, insiders perspective on the latest changes in the governments policies regarding immigration law. Featuring partners and chairs from some of the nations leading law firms, these experts discuss the recent shift toward aggressiveness in government enforcement, and offer strategies for helping employers meet stricter compliance standards. These top lawyers reveal strategies for effectively using technology, handling documentation review, and responding to investigations when they do occur. From recent cases and legislation to best practices in compliance, these top lawyers bring readers up-to-date on the current legal environment regarding immigration. Additionally, these leaders discuss the political and economic factors that are affecting immigration law today and what changes might result within the next few years. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating a rapidly-changing area of law. Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the worlds most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community. Chapters Include: 1. Alexander R.
