

The Retreat

For those who have ever wondered what goes on at a mens retreat, *The Retreat* is an in-depth look into the lives of four men who have looked for answers in all the wrong places . . . until now. Quincy is in the final stages of his divorce, but he still wants to know which church member had an affair with his wife. Jamal is on the verge of the promotion of a lifetime, but unresolved issues with his son, Jamir, threaten everything. Chauncey is a man who will go to great lengths for his church, but not for his terminally ill brother. Will is a young hustler who has been given a rare opportunity to make a choice that will change his life forever. These four men are all at a crossroads in their lives. Will they lay their burdens down at the cross, or will they choose paths that will cause more harm than good? It will all be revealed at the mens retreat, where they learn that they need God and his wisdom more than ever.
