

The Enochian Walks with God, Spirits Day Version (SDV)

Jane addresses the preparation and qualification for the Enochian life, the various stages of rest, and the souls ultimate arrival to the City of God. Other important topics include: the communication between the saints above and the saints below; the manner of Christs appearing; how sin came in; and the ultimate reconciliation of all, including the fallen angels. Full title: The Enochian Walks with God, found out by a Spiritual-Traveler, whose face toward Mount-Zion above was set, with an experimental account of what was known, seen, and met withal there. As an essay to a further revelation of an immense and infinite latitude of GODs love, to the restoring His whole creation, and how, and after what way and manner we are to look, and wait for this last appearance, and coming of our Mighty GOD and Saviour CHRIST Jesus. ABOUT JANE LEAD Jane Lead (1624-1704) was a 17th century English mystic and privileged recipient of a series of divine messages handed down by the Lord Jesus Christ. These messages, received through visions, dreams, and revelatory knowledge, concern the soon-coming Kingdom of Gods Love, both inwardly in the soul, and outwardly upon this mortal visible world. The messages are directed to Wisdoms Children, who are those that have ears to hear the Love-Trumpet sounding, telling them that the restitution of all things is at hand. These chosen ones will be called out from the Babylonish principle, in order to enter a new school of learning; Divine Wisdom herself will be assigned as Teacher and Guide. The soul will learn how to direct itself in this process of preparation, and how to overcome many temptations and obstacles. Successfully completion of this training will qualify the soul to become an administrator in the Kingdom of Gods Love when it appears visibly in this world. These faithful ones are called by many

names, including, Nazarites, Melchizedek Priests, and the 144,000. For more information about this wonderful mystical writer, visit www.janelead.org. ABOUT THE SPIRITS DAY VERSION The goal of the Spirits Day Version (SDV) is to assist the modern reader wherever archaic language might prove difficult in reading and understanding these glorious and magnificent mysteries. The paramount ambition was to remain faithful to the text, while preserving the beautiful writing style of this mystical Author, as well as the classical flavor of the time period. The SDV is not a paraphrase, thus the Authors beautiful prose and unique terminology remain intact. Features updated language and paragraph numbering. Archaic words were replaced, as well as archaic spellings. Long paragraphs have been broken down into manageable portions. When no chapter divisions were present in the original, the writings were divided into such, with paragraph numbering throughout. The result is an excellent study version where passages can be easily identified and cross-referenced. Extreme care has been taken to ensure that unique message remains untouched. For more information on how the SDV differs from the original, please visit www.spiritsday.org. ABOUT THE KINDLE EDITION The Kindle Edition features a clean layout, an active Table of Contents, chapter breaks for convenient forward and backward navigation, and paragraph numbering for easy referencing. Since all paragraphs are numbered, you will always know exactly where you are without having to check for location or page number. ABOUT THE EDITOR: Diane Guerrero gave her life to Jesus Christ in 1985, and has studied the Christian mystics for many years. Since 2004 she has been collecting microfilm copies of Jane Leads original 17th century writings, and transcribing them into electronic text. Seeing the great utility of updating the language for todays modern reader, she created what is now known as the Spirits Day Version, which features writings by other ancient mystics such as

Jacob Boehme and Madame Guyon. You can visit her website at www.janelead.org.
