

## Chrysler Muscle Cars: The Ultimate Guide

Nothing screams muscle car louder than a Superbird 426 Hemi in stinger yellow, and no other book on the market captures that bold style like Chrysler Muscle Cars. With big engines, bright colours, stunning graphics and memorable names the Chrysler muscle car movement that captured the attention of car enthusiasts years ago continues today. This comprehensive reference delivers specifications, production numbers, engine and option information, performance and pricing (in US dollars) in a year-by-year format for easy use by restorers and enthusiasts. More than 300 colour photos and detailed descriptions of high-performance models including Charger, Challenger, Cuda, Dart, Demon and Super Bee are covered in this ultimate guide to Chrysler ingenuity.
