

The Moolah Tree

A bear and chicken have darkly comic adventures in this Winnie the Pooh-for-adults-esque graphic novel. Pluck, an irritable and featherless rooster, and his best pal, the awkward-but-lovable teddy bear known as Fuzz, met long ago in a garbage truck. A tenuous?if decidedly co-dependent?friendship followed, sending them on a series of not-so-heroic adventures. But now, we find them on a ramshackle barge, slowly drifting out to sea. How did they get there? How will they escape? Black & white illustrations throughout.
