

Lady Midrash: Poems Reclaiming the Voices of Biblical Women

What if the women of the Bible told their own stories? *Lady Midrash: Poems Reclaiming the Voices of Biblical Women* brings to life alternative interpretations and forgotten female perspectives from the Hebrew Bible and New Testament. Following in the footsteps of Jewish midrash, a storytelling tradition that explores the gaps in scripture, these poems re-examine the experiences of Biblical women. Sidelined heroines are celebrated. Supposed villainesses get to speak for themselves. *Lady Midrash* reverses convention, probes familiar narratives, attends to small moments, highlights peripheral and silent characters, and names the nameless. The imagination of midrash provides the reader with a creative space to rethink assumptions and reconsider the accounts of women in the Jewish and Christian traditions.
