These Are Not Your Fairy Godmothers When Toots Loudenberry relocated to Los Angeles from South Carolina to be near her daughter, Abby, she expected to bump into the occasional celebrity. She just never expected them to be dead. Meanwhile, Toots and her friends Sophie and Mavis are concerned that the prestigious Dr. Sameers budding romance with fellow Godmother Ida may have something to do with his ailing bank balance. And Abbys attempted makeover of the celebrity magazine The Informer into the most talked-about tabloid in town could end more than just her career. But the Godmothers wouldnt be the Godmothers if they werent pulling a few behind-the-scenes strings, and Abbys hopes of changing the fortunes of The Informer are still alive. Yet itll take an assist from a source no one could have predicted, let alone see, to secure a story that will shake Tinseltown to its very core Praise for Fern Michaels and Exclusive Delightful. . .
