

Did the Earth Move?

Its all about Eve. At least, it should be -- after divorce with Dennis and being jilted by Joseph, Eve could use a little me time. Yoga and tending her tiny organic garden keep her centered, but lifes complicated when you have two barely grown sons, two little ones at home, and a demanding job. At the end of the day, Probation Officer Eve morphs into Mommy Eve, master of meals, homework, laundry, and bath time. Its all or nothing. But Eve is irrepressible, a free spirit who still ponders the big questions: Is she too old to dye her hair pink? Does a one-night stand with the veterinarian count as a sex life? Did she let the one man who truly adores her get away? When her oldest son announces hes getting married, Eves exes come hurtling back into her world, and she sees the men in her life with new eyes. After all, theres more to love than out-of-this-world sex. Though if youre lucky, you can have both....
