

The Off-Road 4-Wheel Drive Book: Choosing, using and maintaining go-anywhere vehicles

With 30 years of experience in using 4-wheel drive machines on expeditions to all parts of the world, Jack Jackson tells you what to look for and which vehicles are best for the various terrains and conditions. Filled with details of all vehicles currently available, driving in and recovering vehicles from hostile environments, advice on planning expeditions including survival techniques, plus fully updated contact addresses for clubs and suppliers. Up-to-date with the autumn 1998 models.
