

Urban Bowhunting: The Guide to Hunting Small Properties for Big Game

Urban hunting is starting to spread into new areas as urban and suburban areas spill over into what used to be prime wildlife habitat. This book covers the many areas hunters can find hunting opportunities in urban areas as well as ways to: *Hunt closer to home *Network with property owners *Use essential hunting gear for the best chances of success *Use best practices and tips for hunting urban properties *And more! This book is jam-packed full of information to help you become a successful urban hunter without breaking the bank. Through his many years of urban hunting success, author Dustin Vaughn Warncke walks you step by step through the process of successfully hunting urban land.
