

Glad Tidings in Song

The Froeward reads: It is the purpose of the editors of Glad Tidings in Song to give to the christian public the best possible selection of Gospel Hymns, regardless of expense in securing copyrights. The songs of the Church, Sunday School, and Revival services have a great influence in moulding Christian life and expriences and it is therefore important that a Gospel Song Book should contain only songs of the highest standard and most helpful character. Book Includes: Congregational Songs, Missionary Songs, Childrens Songs, Solos, Duets, and Quartets, Choir and Anthem Selections, Invitation Hymns, Favorite Familiar Hymns, Patriotic Songs, Doxologies, and Responsive Readings.
