

How to be Happy: As told by the million stars (Volume 1)

Through a delightful conversation with two stars, Starry and Shooter, this book will take you on a journey into yourself, and show you how you can live your life completely fulfilled and truly happy. This insightful, creative, and practical story will enhance your awareness and increase your motivation. The enlightening explanations will help you understand your thoughts, and the powerful tools will help you control them. You will learn how to reduce your stress and fatigue, identify and satisfy your needs, release your past and fears and move forward, control your reactions, live in the present moment, and be happy here and now.
