

# How to Find the Person of your Dreams: Quick Guide to Finding the Needle in the Haystack

Tired of reading dating book after dating book? Do you feel like dating books only have a lot of fluff and no real substance? Are self-help books not working out for you? Do you wish you could be more attractive to the opposite sex? How do you know if the person is interested? How can you save time when finding a partner? How do you know when someone is the one? Are you looking for a way to overcome shyness? If you're tired of buying books from self-proclaimed dating experts and so-called dating gurus then this is the right book for you. You get practical, effective advice from the very first chapter. Don't waste your time searching the internet for hours only to end up lonely and depressed. Buy the only dating book you'll ever need. We guarantee this book will make you see dating completely different.
