

## The Insanely Practical Guide to Reloading Ammunition: Learn the easy way to reload your own rifle and pistol cartridges.

If you're thinking about reloading your own ammunition, then you need this book! If you want to learn to play the guitar, ordering sheet music isn't the best first step. First, learn the basics, then get sheet music.

It's the same with reloading. You need a reloading manual for recipes, but this book will teach you the steps, equipment and process the easy way. Loaded with pictures and simple and useful illustrations, this book will get you started reloading your own ammunition in no time! Topics Include: - Why take up reloading? - Is reloading right for you? - What equipment do you need? - Cleaning and processing brass. - The reloading process: step by step. - Pistol caliber reloading. - Rifle caliber reloading. - Buying reloading components. - Advanced equipment options. - Introduction to advanced topics.
