

The End-Time Revival

The Holy Spirit is about to usher in a new church that will be different to any church that has ever existed before from the birth of the first church two thousand years ago and will bring a renewed focus on equipping and maturing believers so that they will fulfill the prophetic mandate in this last generation of the church age and will restore the hearts of Gods children to the Father. Malachi 4:5-6 - Behold, I will send you Elijah the prophet Before the coming of the great and dreadful day of the Lord. And he will turn The hearts of the fathers to the children, And the hearts of the children to their fathers, Lest I come and strike the earth with a curse. This revival will release the glory of God upon the church in a physical manifestation of heavens power and love and the sons and daughters of God will perform mighty works which will exceed anything that has ever been done by the 1st century church apostles. It will be different to any move of God that the church has experienced in the past. God is about to raise up modern day apostles who will preside over this revival and organize the church into a strong well-disciplined army which will be ready to do battle. No force will be able to withstand the advance of Gods people. The harvest is plentiful and the purpose of this revival is to bring millions and millions of people from every nation into the Kingdom of God. Hosea 6:1-3 - Come, and let us return to the Lord; For He has torn, but He will heal us; He has stricken, but He will bind us up. After two days He will revive us; On the third day He will raise us up, That we may live in His sight. Let us know, Let us pursue the knowledge of the Lord. His going forth is established as the morning; He will come to us like the rain, Like the latter and former rain to the earth. Not everyone will be part of this revival and not every church will experience Gods glory. Only those who have been preparing their hearts in total commitment to Him

will see His glory. Those who have been crying out to God I want to see your glory will see His glory. I am amazed to discover how few Christian leaders believe in the end time revival. God is calling us to holiness and separation from the world. God is calling His leaders today to preach an uncompromised Word and to begin equipping the saints in earnest anticipation of the coming glory. This will not be another revival that will come and then fizzle out again. It will have a purpose and that is to bring Gods people into the full stature of Christ and to evangelize the nations.
