

Let Me Tell You Something

Red-hot advice from the redhead who doesn't pull any punches. Mother, wife, and fan-favorite Caroline Manzo has been through it all as one of the original breakout stars of Bravo's *The Real Housewives of New Jersey*. The explosive and addictive reality series has seen some of the craziest moments in *Real Housewives* history, but Caroline has managed to set herself apart as the levelheaded, fiercely loyal, and down-to-earth member of the cast. Now for the first time, Caroline, who is known for her no-nonsense advice, tells you something about what it really takes to juggle three kids and a husband (and still maintain your sanity), all while living in the spotlight. Her wisdom on family, life, and love, and her shockingly honest confessions about beauty, body image, and even plastic surgery, resonate with women of every generation. Equal parts funny, sincere, and revealing, Caroline exposes the sweeter, more reflective side of herself that fans of the show might not always see. Filled with personal stories, family photos, and Caroline's characteristic humor, *Let Me Tell You Something* gives fans and listeners an all-access, behind-the-scenes pass into the lives of this real New Jersey housewife and her family, where honest advice and practical life lessons are served up as only Caroline can. With her contagious, positive attitude and tips for success sprinkled throughout the book, readers will fall in love with their favorite housewife all over again.
