The Bible tells us many will have dreams and visions so we'll know what's to occur before it happens. Author Lynne Marie Johnson began receiving prophetic dreams and visions as a young child. This eBooklet is a compilation of the visions and messages she has received and which others have received as well and these foretell events that are happening as we speak and which will dramatically increase in intensity and magnitude over the next several years, with devastating results. But there is hope! Our God is a God of mercy and love and forgiveness. Read now as Lynne Marie shares what you can expect to unfold in the coming days, events foretold about our very near future and what we can do to prepare and perhaps even to delay them.
