

## Mirror Image (Kings of Vice)

Marcus Crush Casey should have it made. After two long decades in Attica, he's back on top and ruling the streets he left behind. But maintaining control of New York's underworld is harder than he ever imagined. Crush has built an uneasy alliance between most of the gangs in New York, with himself at the head. As long as he keeps producing, they've got his back. They're even helping him clean up the city. But there's a new player in town, an Armenian gangster named Alek who's got his eye on kingpin status. Crush is faced with a dangerous choice: partner with Alek...or go to war. Ice-T's experience with crime and gangs in Los Angeles and his years on Law & Order: Special Victims Unit makes him the perfect person to tell the story of Mirror Image, a thrilling novel of revenge and redemption.
