

FaceBook Dialogues & Conversations: English-Français -Kreyol Ayisyen

FACEBOOK Dialogues & Conversations (I) is an account of different topics discussed on my Facebook Wall. From sophisticated thoughts down to everyday talks, conversations can start very smoothly then turn extremely hot. These dialogues are presented to you in their original forms with minor editing. Since my Facebook friends speak and write in different languages, you will have the leisure to read those postings in english, in french and in haitian creole. To protect individual privacy, I used initials and, at times first names. It is my anticipation and my hope that you will enjoy the topics and become part of the next publication.

FACEBOOK Dialogues & Conversations (I) est une compilation de plusieurs sujets discutés sur mon Mur de Facebook. D'idées sophistiquées aux conversations journalières, il s'agit d'un débat qui peut commencer très bonnement pour se terminer dans des conversations très épicées. Bien que gardés dans leurs originalités, ces dialogues vous sont présentés avec une légère modification linguistique. Étant donné que mes amis de Facebook parlent et écrivent dans de différentes langues, vous aurez ainsi le loisir de les lire en anglais, en français et en créole haïtien. Pour protéger l'intimité de chacun, j'ai utilisé des initiales et parfois des prénoms. J'espère que vous apprécierez les rubriques et que vous ferez partie de la prochaine publication.
