

EQUALOG CONTRACT: Discussion Guide for Couples

Equalog means, literally, words between equals); Compae dialog, meaning words back and forth. Equalog Contract is an agreement resulting from a discussion between equals, negotiating expectations, roles and partnership. It is a promptbook for sustaining ongoing intimacy among adults. This discussion guide was first published in 1977. It has been employed in much marital counseling, and even used in the wedding ceremony by couples desiring to be explicitly in their agreements and vows. Although originally published in 1977, it is so well designed to help many couple , it has not required an updating. This version is to make it more available in digital ebook form with additional helpful articles taken from other published resources. Several of the Appendices are previously in Dr. Bautes new book, Secrets of Intimacy. (kindle aned Amazon, 2015).
