

Life According to Bob: One Mans Viewpoint

Life According to Bob: One Mans Viewpoint is a book about the little choices in life which we make every day the choices we make without even thinking about them. Its about how our choices determine our character and how our character determines our choices. Both as individuals and as societies. Its a book about morality. About finding your own morality to achieve your own happiness. By thinking about your happiness and thinking about what it means to you. And its a book about one mans viewpoint on life in the United States at the turn of the millenium.
