Since the time of Martin Luther, many have claimed that the Catholic Mass is an unbiblical practice, that it repudiates the once-for-all sacrifice of Christ on the cross of Calvary as expressed in the book of Hebrews. Still others have denied that Christ is truly present in the Eucharist. Do these criticisms have any validity? A thorough investigation of Scripture and history reveals that the answer is a resounding NO. As never before, the Catholic Church has been called upon to be the defender of Scripture and preserver of truth in modern times. Not by Bread Alone will set the biblical and historical record straight. But more importantly, as you learn the real truth about the Catholic Mass, this book will offer you the means to come to one of the deepest relationships with God you have ever experienced.
