

Overboard

It was supposed to be a relaxing vacation for a hard-working lawyer and his wife, but one slip and what begins as an adventure quickly becomes terrifying. When Mitch Gordon opens his eyes to find his wife missing in the middle of the ocean, he panics. He is seventy miles from Tahiti on a forty-foot ketch and there is no sign of help. Join Hank Searls, the creator of *Jaws 2* and *Jaws the Revenge*, in this beautiful but frightening tale of love, trust, and survival.
