

How to Prepare for Air Force Officer Training School: What you need to know to succeed at OTS

An informative, strategic guide to preparing for Air Force Officer Training School, also known as OTS, by a former military insider. This is what you really need to know to prepare yourself for OTS success, and puts you the best position to make your OTS and military experience much more rewarding. Eliminate the apprehension and prevent much of the frustration by following the instructions contained within. Includes an overview of OTS structure, several strategic guidelines for success, information you should memorize ahead of time, how to prepare for the academics, physical, and psychological training list, and a more useful packing list than what you were likely given.
