

Hot Rods by Pete and Jake

To many enthusiasts, Pete Chapouris and Jim Jake Jacobs rank among Boyd Coddington, Ed Roth, and George Barris as two of the worlds most influential hot rod and custom car designers. Combined, the California-based duo can boast 80 years of experience building some of the worlds most creative showstopping customs. This photo history celebrates the 25th anniversary of the opening of their shop, Pete and Jakes Hot Rod Parts, and depicts and describes their most celebrated creations from 1974 to the present.
