

Pierre Trappeur: The Unknown Frenchman (The Glacial Connection)

What would you do if you discovered a grave of a French Fur Trader under your property that turned your life upside down?

While trying to build his dream of a bait shop in Rhinelander, Wisconsin, Mark P. Taylor discovers there is a way to raise his family and still use the land his Dad gave him in spite of all the difficulties of learning how the business world works.

Join Mark, his friends and family that once thought the old grave was a curse, turns out to be a blessing and the best thing that could ever have happened to him.
