

Ponytale Talk: Its All About You! Winning Career Strategies for Women

For most of her career, Kimberli J. Lewis has battled her way through companies and boardrooms around the world. As the first or only female in many positions, she often found herself faced with male-dominated behaviors and rules that tested her flexibility and competence. Through her experiences and successes, she has developed her own set of survival tips for women in the worldwide workplace. Her experiences, observations, advice, and mentoring tips transcend all levels of women within diverse companies and organizations. Regardless of whether you are a career starter or an executive manager, this book is full of suggestions for your career, job, or life. Ponytale Talk is the personal mentor you have been looking for.
