

## American Big-Game Hunting

Originally published in 1893, this absorbing collection of American Big game Hunting is a fascinating read for any hunting enthusiast. Extensively illustrated and with tales from various authors this work is thoroughly recommended for inclusion on the bookshelf of all who are interested in Big Game hunting. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
