

Sarah

Sarah never admits that shes his mother, but the beautiful boy has watched her survive as a lot lizard: a prostitute working the West Virginia truck stops. Desperate to win her love, he decides to surpass her as the best and most famous lot lizard ever. With his own leather mini-skirt and a makeup bag that closes with Velcro, the young Cherry Vanilla embarks on a journey through the Appalachian wilds, dining on transcendental cuisine, supplicating to the mystical Jackalope, encountering the most terrifying of pimps, walking on water, being venerated as an innocent girl saint-and then being denounced as the devil. By turns exhilarating and shocking, magical and realistic, Sarah brings urgency, wit, and imagination to an unknown and unforgettable world.
