

The Milwaukee Murders: Nightmare in Apartment 213 - The True Story

On 22nd July 1991, a panic-stricken young man with a pair of manacles dangling from his wrist, ran out of apartment 213, Oxford Apartments, Milwaukee and told the police an incredible tale of terror. When he led officers back to his captors lair, they made a gruesome discovery - torsos stuffed in a barrel, severed heads piled up in the fridge and skulls stacked neatly in the filing cabinet. Tacked to the freezer were photographs of the mutilated corpses and in the middle, 31-year-old Jeffery Dahmer, serial killer. This book tells the story of this case of true crime.
