

Services Rendered: A Billionaire BBW Romance (Servicing the Billionaire Book 1)

Not every problem could be solved with money except it seemed that mine could. How far was I willing to go? Sexy, curvaceous Anna Watson is desperate for money, but when a potential employer tries to take advantage, she realizes there are some things she just won't do. She is rescued by handsome billionaire Jake King, who witnesses the exchange and employs her as his personal assistant. She needs the money, and he's willing to give it to her, but it's also the one thing that's stopping them from taking the connection they can see in both their eyes further. As passion makes the lines between work and play start to blur, Anna must ask herself: can she hold back, or will she allow her body's desires to take over? *Services Rendered* is a 7000 word short, steamy romance. It contains smoking hot scenes between a sassy BBW and a devilishly handsome Billionaire (in a sexy suit). You've been warned!
